ABOUT COMPANY

Alpha Vision Limited Company is a Civil, Mechanical and Electrical Construction Company. Alpha is one of the leading fast-growing companies operating in Kingdom of Saudi Arabia. Alpha was established in 2019, as temporary facilities & infrastructural contracting business. Over a short period, Alpha has successfully diversified into other construction sectors & related support businesses and within a short span of 5 years. Alpha is now considered to be one of Saudi Arabia's fastest growing and trustable construction company. At Alpha, we take pride in offering our clients a strong, customer focused approach, applying best practices to offer world-class quality that the Kingdom expects from its quality contracting firms. Alpha has attained and sustained leadership in all its major lines of its businesses.

its presence almost all over the Kingdom, with a national spread of offices. It has urge to continue to grow its global footprint, with construction facilities in multiple countries. In response to changing market dynamics, Alpha has gone through a phased process of redefining its organization model to facilitate growth through greater levels of empowerment. The new structure is built around multiple businesses that serve the needs of Construction Business and enable Alpha to be self-sufficient in delivering its services to the esteemed and valued clients.

WELCOME MESSAGE

It is my privilege and pleasure to state that since beginning incorporation of the Alpha Vision Limited Company in Al-Khobar, with the help of Almighty God, it was an entirely fruitful period governed by a clear philosophy of work and close link with the community of Kingdom of Saudi Arabia. The significant projects achieved by ALPHA, which emerged from our clear-sighted vision and ambitious goals, have profound impact and support in enhancing the national development and providing the appropriate environment for the establishment of many urban and industrial communities in the Kingdom. With the company's growth, development, and expansion to every corner of the kingdom, ALPHA contributed to Saudi Market with huge fleet of machinery and manpower.

We are well known and leading supporters for new Industrial Expansion by rendering initial setup facilities with minimum possible time regardless any geographical location in the Kingdom. This remarkable growth, overwhelming success along with the wise leadership, absolute confidence of our customers, partners, the industrial, commercial, and residential market that always expects us to complete our march in the single-aim road, have drawn the clear map of our work. We are proud to be supportive to Saudi Arabia's Vision 2030 by contributing to diversified economy and serving in private sector industrial construction. We excel through comprehensive future viewing, good planning, adoption of development policy for all work systems and mechanisms. Added to that, the provision of adequate and suitable jobs and training of national work force in implementation of continuous training concept and the transfer of expertise to the work team. Through these pillars, we ensure the achievement of optimum use of resources for timely completion of projects with Safety and Quality. We are professional, dedicated, and transparent.

OUR VISION

VISION

Alpha is focused on creating innovative, entrepreneurial and empowered team to achieve constantly values and culture of learning, caring, trust and customer satisfaction. ALPHA believes that progress must be achieved in harmony with the environment. A commitment to community welfare and environmental protection are an integral part of the corporate vision. Our vision is safe accomplishment of challenges and task in stipulated time frame without compromise on quality to meet the clients' satisfaction.

VISION

Our vision is to be the leading provider of skilled and dependable manpower solutions, empowering businesses worldwide. We strive to build lasting partnerships by delivering exceptional talent and fostering a culture of trust, innovation, and excellence in workforce management. By aligning our services with client goals, we aim to drive productivity and success across industries. Our commitment to ethical practices and continuous improvement ensures we remain a trusted name in workforce solutions.

OUR MISSION

MISSION

Alpha is focused on creating innovative, entrepreneurial and empowered team to achieve constantly values and culture of learning, caring, trust and customer satisfaction. ALPHA believes that progress must be achieved in harmony with the environment. A commitment to community welfare and environmental protection are an integral part of the corporate vision. Our vision is safe accomplishment of challenges and task in stipulated time frame without compromise on quality to meet the clients' satisfaction.

MISSION

Our mission is to deliver exceptional manpower solutions that connect skilled professionals with businesses in need. We are committed to providing reliable, efficient, and tailored workforce services that drive growth and operational excellence. By fostering a culture of integrity, innovation, and continuous improvement, we aim to empower both clients and employees to achieve their full potential. Together, we build strong partnerships that create sustainable success for all stakeholders.

OUR VALUES

VALUES

For Alpha Vision, the key manpower values include expertise in innovative construction, strong safety and compliance standards, teamwork and integrity, and a commitment to quality and timely project delivery. The company emphasizes sustainability through eco-friendly practices and energy-efficient building methods. Additionally, a focus on continuous training and employee development ensures a skilled, adaptable workforce to meet evolving industry demands.

VALUES

A manpower profile includes key characteristics such as employees' skills, experience, and educational background. It also considers job roles, tenure, and productivity levels, as well as diversity factors like age, gender, and cultural background. Compensation, benefits, and employee engagement levels are also part of the profile, providing insights into retention and workforce satisfaction. This data helps organizations optimize their human resources for efficiency and growth.

OUR SERVICE

COMPANY

OUR PROJECT

DIYAR AL AHSA

At Diyar Al-Ahsa, Alpha Vision is proud to have contributed to both civil and finishing work. Our civil services included groundwork, structural foundations, and infrastructure development, while our finishing work involved flooring, wall treatments, painting, ceiling installations, and joinery. We ensured that both the construction and interior spaces were of the highest quality, supporting the project's vision to create a modern, sustainable, and functional environment for residents and businesses in Al-Ahsa.

OUR PROJECT

AL BAIRAQ DAMMAM

At Al Bairaq, Dammam, Alpha Vision was responsible for the finishing work on this important infrastructure project. Our team provided high-quality flooring, wall finishes, painting, and ceiling installations, ensuring the completed spaces met both functional and aesthetic standards. We focused on delivering durable, professional finishes that enhance the project's overall quality and support the operational needs of the facility.

OUR PROJECT

SABIC SABTANK ADMIN BUILDING JUBAIL

At the SABIC Sabtank Administration Building in Jubail, Alpha Vision provided expert finishing work to deliver high-quality interiors. Our services included flooring, wall treatments, painting, ceiling installations, and joinery, ensuring the building's spaces were functional, modern, and aligned with corporate standards. We focused on delivering a professional and aesthetically appealing environment that supports the daily operations of SABIC, contributing to a comfortable and efficient workspace.

OUR PROJECT

AL OTHAIM 2 BRANCH HAIL

At the Al Othaim 2 Branch in Hail, Alpha Vision was responsible for providing high-quality finishing work. Our team handled various interior services, including flooring, wall finishes, ceiling installations, and painting, ensuring the store's spaces were functional, aesthetically pleasing, and aligned with the brand's standards. We focused on delivering a polished, customer-friendly environment to enhance the shopping experience and contribute to the overall success of the new branch.

OUR PROJECT

DIAMOND SQUARE THE CUBE KHOBAR

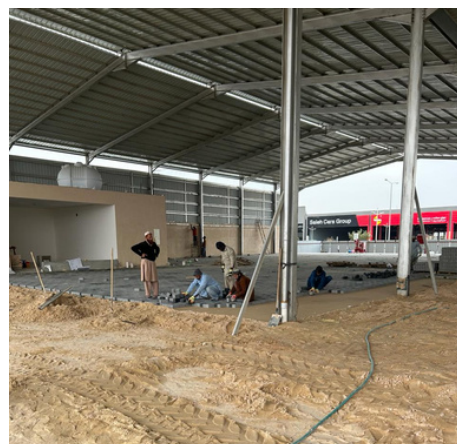

At Diamond Square The Cube in Khobar, Alpha Vision provided expert finishing work for this landmark development. Our team handled various finishing services, including flooring, wall treatments, painting, ceiling installation, and joinery to ensure a polished and modern interior. We focused on delivering high-quality, detail-oriented finishes that align with the project's sleek, contemporary design, contributing to the building's aesthetic appeal and functionality.

OUR PROJECT

CROWN EXPERTS AMARAZ RIYADH

At Crown Experts Amazar in Riyadh, Alpha Vision provided expert services in prefabricated steel and finishing work. Our team handled the installation of prefabricated steel structures, ensuring strength, durability, and precision in construction. Additionally, we delivered high-quality finishing work, including flooring, wall treatments, painting, and ceiling installations, creating functional and aesthetically pleasing spaces. This combination of steel structure work and finishing services contributed to the successful completion of the project, meeting both structural and design standards.

OUR PROJECT

SAR LEVEL CROSSING ABQAIQ

As part of the SAR Level Crossing project in Abqaiq, Alpha Vision was responsible for the complete asphalt work, ensuring smooth and durable road surfaces at the railway crossing. Our team handled the preparation, laying, and compaction of asphalt to create a safe and efficient crossing for both vehicles and trains. The project enhances traffic flow and safety, contributing to the overall improvement of transportation infrastructure in the region.

OUR PROJECT

MEDICAL COMPLEX RIYADH

As a turnkey contractor for the Medical Complex in Riyadh, Alpha Vision handled the complete project lifecycle, from design and construction to final handover. Our team provided full construction, interior fit-outs, medical equipment installation, and quality assurance, ensuring the facility meets international healthcare standards. This project supports Riyadh's growing healthcare needs, aligning with Saudi Arabia's Vision 2030.

OUR PROJECT

WAVE TOWER KHOBAR

At Wave Tower in Khobar, Alpha Vision provided expert finishing services to ensure the building's interiors met the highest standards of quality and design. Our scope of work included the installation of premium flooring, smooth and aesthetic wall finishes, custom ceiling designs, and fine carpentry. We also handled lighting and electrical finishes to enhance the functionality and ambiance of each space. This landmark project reflects our commitment to delivering exceptional results, from commercial to residential spaces, ensuring both beauty and durability in every detail.

OUR PROJECT

FLAMANT KHOBAR

At Flamant in Khobar, Alpha Vision provided expert finishing services to ensure the building's interiors met the highest standards of quality and design. Our scope of work included the installation of premium flooring, smooth and aesthetic wall finishes, custom ceiling designs, and fine carpentry. This landmark project reflects our commitment to delivering exceptional results, from commercial to residential spaces, ensuring both beauty and durability in every detail.

OUR PROJECT

AMIRAL PKG 06 FENCE PROJECT

Alpha Vision Limited Company is executing the Amiral PKG 06 Fence Project, which involves the installation of Anti-Personnel Fence (APF) and Anti-Vehicle Barrier (AVB) systems. The APF is designed to prevent unauthorized human access, while the AVB provides strong resistance against vehicle intrusions. All fencing works are being carried out as per approved specifications and safety standards. The project ensures enhanced perimeter security for the site. Our team is focused on delivering high-quality, durable, and secure fencing solutions. This project highlights Alpha Vision's expertise in critical infrastructure protection.

MEET OUR TEAM

Rizwan Hameed

At Alpha Vision, our **Chief Executive Officer (CEO)** is the visionary leader guiding the company's overall strategy, growth, and success. The CEO is responsible for making key decisions, setting long-term goals, and ensuring that the company's mission and values are upheld. With a focus on innovation, market expansion, and operational excellence, the CEO drives the company toward its objectives, inspiring leadership and fostering a strong company culture. Their strategic direction and leadership are vital to the continued success and growth of our organization.

Saad Khudhair Alenaizi

At Alpha Vision, our **Chief Financial Officer (CFO)** is responsible for managing and overseeing all financial aspects of the company. With expertise in financial strategy, budgeting, and forecasting, the CFO ensures the company's financial health and long-term growth. They work closely with leadership to make data-driven decisions, optimize financial performance, and maintain compliance with regulations. The CFO's leadership in financial planning and risk management is crucial in supporting the company's goals and ensuring its continued success and stability.

Usman Latif

At Alpha Vision, our **Business Development Manager (BDM)** plays a pivotal role in driving growth and expanding our market presence. The BDM is responsible for identifying new business opportunities, building strong client relationships, and exploring potential partnerships. By understanding market trends and customer needs, the BDM develops strategies to attract new clients, enhance revenue streams, and strengthen our competitive position. Their strategic approach and commitment to business growth contribute significantly to the overall success of our company.

MEET OUR TEAM

Yasir Saad Alenaizi

At Alpha Vision, our **Chief Technology Officer (CTO)** leads our technological innovation and strategy. With extensive expertise, the CTO drives the integration of advanced technologies to enhance business operations, improve efficiency, and deliver superior customer experiences. Their leadership ensures we stay ahead of industry trends, continuously improving and scaling solutions to support our company's growth and success.

Faisal Ali Dad Khan

At Alpha Vision, our **Chief Operating Officer (COO)** plays a crucial role in ensuring operational efficiency and driving growth. With a strong focus on streamlining processes, optimizing resources, and aligning teams with business goals, our COO ensures smooth day-to-day operations. Their leadership fosters collaboration across departments, improves productivity, and drives sustainable business practices. Through strategic decision-making and effective management, the COO contributes significantly to the overall success and continued development of our company.

Arslan Hameed

At Alpha Vision, our **Operations Manager (OM)** is essential in overseeing the day-to-day activities that drive our success. The OM ensures operational efficiency by managing workflows, optimizing resources, and implementing effective processes across departments. Their leadership ensures that projects are completed on time, within budget, and to the highest quality standards. With a strong focus on continuous improvement, the OM plays a key role in enhancing productivity, maintaining smooth operations, and contributing to the overall growth of the company.
